About myself	<p>I am working as an performing artist from year 2000. And have since worked in many different kind of productions from traditional circus and theater to modern variety shows over big scale events in stadiums and street theater shows.</p> <p>I'm mostly self-taught in my main discipline, but took additional education in other, related disciplines, which lead to my own personal style and technique.</p> <p>Inspired from Tim Burton characters, i created a unique stage character that i adjust for the different productions i am working in.</p> <p>I also work as a manager, teacher, choreographer and design equipment.</p>
